REVENUE (C DEPARTMENT

G. O. (Ms) No. 1039/79/RD. *Dated, Trivandrum, 6th August* 1979

ORDER

In the context of decentralisation of powers, proposals for investing the Village Officers with more powers so that the public may not have to go to higher authorities for matters which can be settled by the Village Officers or which are dependent on the report of the Village Officer, have been engaging the attention of the Government for some time past. After having examined the question in all its aspects, and in supersession of all orders issued by Government from other departments relating to production of certificates, Government are pleased to delegate to the Village Officers the power to issue the undermentioned certificates:

(i) *Income certificate*:

The Village Officer will issue income certificate after obtaining a sworn statement from applicant regarding his/her income. The certificates will be issued in the form designed, got printed and supplied by the Board of Revenue.

(ii) *Community certificate*:

In cases where the person has not studied upto SSLC/ESLC the Village Officer will issue the certificate after making proper enquiry/verification. n other cases the SSLC/ESLC can be relied upon by all departments. For this, necessary amendments will be made in all concerned rules/ regulations.

(iii) *Destitution certificate* & (iv) *Identification certificate* — The Village Officer will issue the certificates after proper enquiry/ verification.

2. The issue of incorrect or false certificates will lead to misuse of concessions and will defeat the very purpose of the scheme of concessions allowed by the Government. The Village Officer will be held responsible

for any loss caused to Government on account of the payments of educational concessions etc. to undeserving students on the basis of wrong certificates issued by him. The certificates to be issued in this regard should, therefore, be true to facts.
